BismilLahirRaheem

AlhamdulilLah

Life is very interesting. Sometimes people may call you all sorts of names.

Be patient, don’t fight the ignorant/ spiteful or jealous people.

Endure the harm with all grace, patience, beautiful resilience; and be merciful to them

Sooner or later(by the will of Allah), your Rabb(Allah would elevate you to levels of glory/ status/ ‘izzah, Wa Allahu A’lam), understanding, worldly status etc. and other than that of the khair(good) of this world and the hereafter in Shaa Allah

Wa Allahu A’lam

AlhamdulilLah, wassalaatu wassalaam ‘alaa RasuulilLah
